

I wish to express my concern over the possible replacement of my radio station K-LOVE with a LPFM station. This would be a great disappointment and a loss for us. My family listens to K-LOVE at home on 100.1 Julian/San Diego (California). This is the ONLY station we listen to, and when we are out of our area, we scour the FM dial for the local K-LOVE station. Please do not take our "Positive, encouraging K-LOVE" from us.

Thank you!

Respectfully,

Dee-Anna, Brian, Breanna, Weston, Katelyn & Wyatt Marcoux
